

# Background Checks

Helping you make smart hiring decisions

When recruiting employees, you want as much information possible to make smart decisions. The Bollinger Club Program has created an alliance with IntelliCorp, a Verisk Analytics Company, to provide background screening products and solutions at deeply discounted rates, to help you mitigate risk and keep your organization safe.

As a Bollinger Club client, you benefit from IntelliCorp's industry leading data, which provides you with detailed information on your applicants. You also get the advantage of streamlined processes, cost savings and paramount privacy and security when it comes to protecting sensitive information.

## Background checks help you:

- ensure the quality and retention of your new hires
- protect your company's hard earned positive reputation
- manage and minimize risk
- increase safety within your business and the public
- reduce loss due to sexual offenses, violence or theft
